**Come and join us! Thursday, May 31<sup>st</sup> 12-2:00**

We have been working hard this year to transform our garden into a space that is welcoming for our school community and surrounding neighborhood. We have created a learning space, where exploration, mindfulness and relaxation can take place. Come join us as we celebrate and unveil some new additions to our beautiful outdoor space.

We were very fortunate to receive the Impact Grant from our partner, Arts Every Day! Through Arts Every Day, we were able to bring Resident Mosaic Artist Carien Quiroga to work with our 3<sup>rd</sup> graders and our Deaf and Hard of Hearing students. We are excited that our mosaics, as well as our student painted birdhouses will become a permanent fixture in our garden!
