

SY 2022-2023 AED School-Wide Arts Integration Goals Planning Template

School Name:

Date: 9/30/2022

Principal Name:

Arts Integration Coach(es) Name(s):

School goal(s): *Academics:* Elementary School transforms students into creative, reflective, and analytical problem-solvers who are compassionate and prepared to compete and preserve in an evolving world. To accomplish our mission we believe to develop tomorrow's leaders by fostering critical thinking in a socially positive environment.

Arts Integration Goal: *The Arts Integration Coach will provide professional development from Arts Every Day and individualized assistance to incorporate Arts Integration in the Language Arts and Math. As a Stage 1 school, we will focus on teacher support. We will survey teachers on Arts Integration comfort level and provide assistance as needed. Eventually, developing an Arts Every Day Committee within the Elementary School Community.*

How does this goal relate or supports your school's mission/vision, Improvement Plan, or academic goals for the year? *The goal of building our Arts Every Day Committee supports our academic goals by giving artistic opportunities for our students that enhance their understanding of a content area and providing beautification in our school.*

What team or individual will take the lead?

Ms. and Ms. will work collaboratively with the Climate Committee and the ILT to infuse Arts Integration into Academics.

School goal(s): Literacy: At BOY, 20% of students performed At or Above benchmark. We will increase this percent at EOY.

Arts Integration Goal: Identify an elementary team of teachers committed to Arts Integration lessons within the Language Arts content. This team of Kindergarten, First, and Second grade teachers will form the Arts Every Day Committee. These teachers, and

other elementary colleagues will attend the 90 minute professional development provided by Arts Every Day. This committee will also be observed when teaching Arts Integration for evaluation and feedback.

How does this goal relate or supports your school's mission/vision, Improvement Plan, or academic goals for the year? Research shows the benefits of Arts Integration and the long-term retention of academic content. Arts Integrated lessons will further enhance and strengthen the academic content helping teachers reach the proficiency increase.

What team or individual will take the lead? Ms. and Ms. will work collaboratively with the Arts Integration Committee.

School goal(s): Wholeness: The End of Year average cumulative attendance rate will be 90% or higher.

Arts Integration Goal: Provide Arts Integrated experiences that will be used as school incentives. The Arts Integration Committee will partner with the Attendance Committee to support the Wholeness goal. Students will be required to have perfect attendance to participate in Arts Every Day programming.

How does this goal relate or supports your school's mission/vision, Improvement Plan, or academic goals for the year? The experiences selected on the Funding Plan will be selected for every grade level. The Art experiences are all unique interpretations of Arts Integration. Students will want to come to school and participate in these unique and stimulating programs.

What team or individual will take the lead? As the Arts Integration Coaches, Ms. and Ms. will work with the grade –level teams to ensure students are excited and want to participate in the various Arts Programming.
